We provide married couples with the options they want and the professional support they need, so they can continue to live together as the needs of one spouse changes.

We understand the commitment you made to your spouse on your wedding day is as meaningful today as it was then.

We recognize and support your desire to remain living together.

### Our Commitment:

Enable couples to enjoy their time together while certified professionals tend to any healthcare needs

Offer peace of mind, allowing couples to stay together as the needs of one partner changes

Provide options, so that each spouse can stay healthy and active as possible doing the things they love

### We Offer:

- 50% discount OFF the second-person fee for the spouse
- Various apartment sizes to meet your needs
- Three chef-prepared meals each day
- Onsite activities and events
- Onsite Physical, Occupational, and Speech therapy
